

**Trade In Your Old A/C System  
Before May 15<sup>th</sup>, and Receive  
DOUBLE THE NORMAL REBATE  
from Edison and The Gas Company!**

That's right! Amana® Home Comfort Systems has developed **an exclusive program for Edison and Gas Company customers.**

Edison 15+ SEER Rebate:	\$340.00
Gas Company 92%+ AFUE Furnace Rebate:	\$200.00
<hr/>	
Total Utility Rebates:	\$540.00
<b>Plus Amana Matching Funds:</b>	<b>\$540.00 &lt;&lt;&lt; Doubles Your Rebate</b>
<hr/>	
<b>TOTAL REBATE TO YOU:</b>	<b>\$1,080.00</b>

This is the largest rebate fund ever offered to homeowners toward replacing their old heating and air conditioning system. **The matching funds for this offer will expire on May 15<sup>th</sup>, 2008,** so call today to place a reservation and lock in your rebate. All rebates are applied instantly, so you don't have to wait for months for a check from the utility company!

Following your reservation, we will schedule and in-home energy analysis to design an approved Energy Star® system which qualifies for the Rebate Program. This analysis is free of charge, and you are under no obligation to make a purchase. Just call our Rebate Coordinator today at 1-800-784-1930 to schedule your appointment. We can arrange convenient times during evenings and weekends to accommodate your busy schedule.

Yours for improved comfort,

*Frank Nascimento*

p.s. If you are among the first fifty (50) who schedule their free in-home analysis, I will arrange **special 12 months no interest, no payment financing at zero extra cost.** This means you can pocket your \$1,080 cash rebate, pocket the monthly savings of 50% lower energy bills, and not spend a dime for one full year. Call today so you don't miss out!
